

High quality tools in chrome vanadium steel 31 CrV 3.

50-piece precision engineer's set with 1/4" baton ratchet.

This set includes sockets from 4 - 13mm, deep sockets from 6 - 10mm for protruding bolts and screwdriver bits with square drive for slotted, Phillips, Allen and TX (with frontal hole) screws. It also has external TX sizes E4 - E10, T-bar, 2 extensions, screwdriver handle with square drive and 1.25 - 1.5 - 2.0 - 2.5 and 3mm angled Allen keys. See photo for full contents.

The ratchet - the key item. Made from CrV steel in one single piece. Hardened and with perfect tothing; several of the 72 teeth engage simultaneously for transmitting extremely high torque. Quick release mechanism: releasing sockets at the push of the button.
