Drag Chain-Compatible Coaxial Cables

Coaxial cable 50 Ω type SKT 58

Coaxial cable 50 Ω type SKT 178

Coaxial cable 75 Ω type SKT 179

COAXIAL CABLES

■ COAXIAL CABLES FOR USE IN DRAG CHAINS

Usage in drag chains require cables that are high-quality, durable, and flexible. Our drag chain-compatible coaxial cables are designed to withstand fast horizontal and vertical accelerations while reliably transmitting signals. Long-running tests in the research and development

centre at the plant in Windsbach confirm the flawless performance of all components. Our drag chain-compatible coaxial cables are recommended for a diverse range of applications such as storage and retrieval devices, machine tools, and goods-handling systems.

The drag chain-compatible coaxial cables from HELUKABEL are available in the following versions:

- Coaxial cable 50 Ω type SKT 58
- Coaxial cable 50 Ω type SKT 178
- Coaxial cable 75 Ω type SKT 179

Areas of application 50 Ω

- Transmission and reception technology
- Antennas
- Measuring and testing technology
- Network engineering
- Telemetry
- Signalling equipment

Areas of application 75 Ω

- Video technology, i.e. CCTV surveillance, broadcasting/studio equipment
- Broadcasting service, satellite/broadband
- Instrument design

■ OVER 60 MORE COAXIAL CABLES AVAILABLE

In addition to drag chain-compatible coaxial cables, HELUKABEL offers an extensive assortment of coaxial cables for almost every application, even in ultra

HD equipment. These highly flexible cables contain the best screening technology and are also available in a low-loss version.

■ SELECTION TABLE

COAXIAL CABLES	50 Ω type SKT 58 Article no: 400313
STRUCTURE	
Conductor material	stranded bare copper
Core insulation	PE
Screening	braided tin-plated copper wires, approx. 90%
Outer sheath	special-TPE, black
TECHNICAL DATA	
Impedance	50 Ω
Minimum bending radius	
• flexing	10 x OD
• fixed installation	5 x OD
Temperature range	
• flexing	-25°C to +60°C
• fixed installation	-40°C to +70°C
PROPERTIES	
Halogen-free	x
Flexible	x
Abrasion-resistant	x
Resistant to: oils, greases, hydraulic fluids, coolants	x

50 Ω type SKT 178
Article no: 400314

stranded silver-plated copper
