

## **Power cable**

Model: **AK-NB-10A**

|                          |                         |
|--------------------------|-------------------------|
| Product code             | AK-NB-10A               |
| Product type             | Power cable             |
| Output voltage           | 250 V                   |
| Output amperage          | 2.5 A                   |
| Ground wire              | Yes                     |
| Cable length             | 3.0 m                   |
| The cable plug #1        | CEE 7/7                 |
| The cable plug #2        | IEC C5                  |
| Material                 | CCA                     |
| Wire gauge               | 3 x 0.5 mm <sup>2</sup> |
| Cable markings           | H03VV-F                 |
| Isolation material       | PVC                     |
| Cable diameter           | 7 mm                    |
| Product color            | Black                   |
| Product size (L x W x H) | 240 x 70 x 70 mm        |
| Net weight               | 239 g                   |
| CE compatibility         | Yes                     |
| FCC compatibility        | No                      |
| RoHS compatibility       | Yes                     |
| REACH compatibility      | Yes                     |
| EAN code                 | 5901720137012           |
| Warranty                 | 24 months               |

# Description

**Akyga® AK-NB-10A power cable** is an ideal solution if the original power supply cable is damaged or when you want to replace it with a longer one. The **3 metre cable** will allow you easy access to even the most distant power outlets. You can freely choose the place where your equipment will be placed, without worrying about the lack of nearby sockets. What is more, the cable is characterized by a solid workmanship and durable insulation. On one side there is a **Schuko plug (CEE 7/7)**, on the other side there is an **IEC C5 connector**, also called a clover. This connector is used to power various types of computer and multimedia equipment, including AC adapters for laptops, printers or monitors.
