RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720136503
Warranty	24 months

## Description

**Akyga® AK-SW-01** is a compact charger **for Xiaomi Amazfit Bip S smartwatches**. It features a simple yet stylish finish, making it a perfect match for Xiaomi products. The charger acts as a kind of docking station and has a **1 m cable** which is longer than the original. This gives you more freedom when choosing a place to charge your smartband. It can be either a desk, a table or a shelf. What's more, the station is equipped with **anti-slip rubber pads** that prevent the product from sliding on the tabletop. In this way, it provides the charged watch with stability and protects it from unintentional knocking down. In addition, the charger has **spring-loaded contacts**, so you can be sure that your watch adheres to the protruding connectors with perfect force. Without fear of damaging the contacts on your watch. The charger is equipped with a universal USB connector, so you choose what you connect the charger to. It can be either an AC adapter, powerbank or laptop. The only requirements for the power source are 5 V / 1 A.
