Warranty	24 months

Description

The Akyga® AK-SW-18 cable is the ideal replacement for faulty chargers **for Garmin smartwatches**. The small, handy clip is in no way inferior to the original version, thereby securely holding onto the sports watch during charging. **The integrated 1 m cable with USB connector** allows you to choose from a variety of universal power sources. This can be a desktop computer, laptop, mains adapter or powerbank. What is more, the adapter will also allow you for **data transmission**. So, you can quickly send your favourite music to your watch.

Fits models: Forerunner 230, Forerunner 235, Forerunner 630, Forerunner 645, Forerunner 735TX.
