

Model: **AK-SW-19**

Product code	AK-SW-19
Compatible with	Garmin
USB output voltage	5 V / 1 A
Power supply connector	USB
Cable length	1 m
Data transmission	Yes
Product size (L x W x H)	70 x 23 x 18 mm
Package size (L x W x H)	160 x 115 x 19 mm
Net weight	26 g
Gross weight	29 g
CE compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720136688
Warranty	24 months

Description

Akyga® AK-SW-19 charger was created for **Garmin Forerunner 220 sports watches**. It is an ideal solution for those who need to replace their old charger, due to its damage or loss. High quality components and solid workmanship make the product nothing inferior to the original version of the charger. Therefore, you do not have to worry about compatibility with your Smartwatch. As with the original version of the charger and this one has a **practical clip, data transmission** and a **1 m cable with a USB connector**. The clip is designed to hold the watch in the right position and protects it from accidental detachment during charging. Thanks to the universal USB connector you can **freely choose the power source** to which you will connect the charger. You can charge the watch while driving using the socket in the radio, during training from the powerbank, and at work from your laptop. It is up to you which option you choose.
