

1202EL

Evox screwdrivers for cross head Phillips® screws, long series

UNI-ISO 8764-1

Features:

- Bi-material handle for maximum force transmission with minimum effort and optimal comfort
- The ergonomic design fits the palm of the hand perfectly
- The style and size of the tip are printed on the round cap for quick identification
- Beta's tried and tested blades ensure unique elasticity, hardness and wear resistance, for top-end professional tools
- Chrome-plating free tip for perfect screw coupling, protected from oxidation with phosphate-coating treatment
- The brand-new hole on the handle allows the screwdriver to hang for easy storage

The evolution of the screwdriver!
