

WIPERS

41-100-1300

Good water absorption, oil absorption
Sealed by laser, prevent particle falling off
Soft and comfortable; Not scratching the surface

Product specifications

Material: 100% polyester
Weight: 110 - 120g/m²
Size: 9"X9" (23 x 23cm)
Package: 150 pcs/bag, 10 bags/box
Sealed: laser cut
Cleanroom laundered and packaged in Class 100

Applications

Semiconductor assembly production line
Liquid crystal display (LCD) production line
TFT-LCD PCB Manufacturing Process
Less sensitivity of electronic components
Other normal dust-free room or production line machine wiping
