Warranty	24 months

Description

The Akyga® AK-SW-25 cable is a small and lightweight adapter **for charging Fitbit smart watches**. This high-end replacement will be perfect for daily charging of your smart watch. The long **1-meter USB cable** guarantees a convenient connection to the power source, even in hard-to-reach places. While the universal USB plug, gives you the opportunity to freely connect the charger to the AC adapter, or to a travel powerbank. It's also worth mentioning the **spring-loaded contacts** that guarantee a perfect fit of the smartwatch to the connector, thus ensuring stable charging. What's more, the **rubberised bottom** of the charger ensures its stable position, even during train or coach journeys.

Fits among others: Fitbit Versa, Fitbit Versa Lite.
