## Description

**Akyga® AK-SW-28** is a **charger for Fitbit** sports bands. The strong and at the same time **durable clip** makes the charger ideal as a replacement for a damaged unit, thus securely holding on to the watch during charging. Moreover, the accessory is equipped with a **1 m long USB charging cable**. This allows you to choose from a variety of universal power sources with a USB-A port. The smartwatch can be charged either at home with a phone charger, during a workout with a powerbank or in the office with a laptop. You decide which option you choose!

**Suitable for, amongst others: Fitbit Charge 2.**
