Description

The Akyga® AK-SW-29 charger is an excellent quality replacement **for charging Fitbit smart watches**. The charger is equipped with a long **1 m cable**, which allows you to freely charge anywhere. Additionally, it has a **USB tip** that allows you to connect the cable to a power source with a USB-A input of your choice. This can be a desktop computer, tablet or mains charger. Furthermore, the charging connector is equipped with **mechanical snaps** and **spring-loaded contacts**, which protect your smart watch from unwanted detachment and guarantee optimal pressure on the equipment throughout the charging time.

Fits among others: Fitbit Charge 3, Fitbit Charge 4.
