

Model: **AK-SW-34**

Product code	AK-SW-34
Compatible with	Oppo
Power supply connector	USB
Cable length	1 m
USB output voltage	5 V / 1 A
Package	UniBag
Product size (L x W x H)	45 x 45 x 13 mm
Package size (L x W x H)	160 x 100 x 13 mm
Net weight	32 g
Gross weight	35 g
CE compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720137319
Warranty	24 months

## Description

**The Akyga® AK-SW-34 charger** is designed for **Oppo** sports watches. Rounded edges make the watch fit perfectly into the charger. In addition, the **built-in magnet** ensures that the charged device does not move and guarantees a **stable connection** between the smart watch and the charging pins. The bottom of the charger is equipped with a **non-slip rubber pad** and a magnet. The rubber pad prevents the charger from unwanted sliding on the tabletop. In turn, the included magnet allows you to attach the adapter to metal surfaces, so that it doesn't interfere with your work. What is more, the built-in **USB cable** with a length of **1 m**, will allow you to freely choose the power source. Thus, the accessory can be connected at home to an AC adapter, in the office to a laptop or when traveling to a car charger.

**Suitable for, amongst others: Oppo Watch 41 mm, Oppo Watch 46 mm.**
