

PRODUCT INFORMATION SHEET

Snap-off blade

Product description

A set of 10 snap-off 18 mm blades made of a special SK2H steel alloy dedicated to cutting knives. Especially practical for finishing works, cutting cardboard, wallpaper, carpets, tarpaulin fabrics, printing films and PVC films, etc.

Characteristics

- the highest quality blade with extended service life, and increased resistance to cracking and chipping, made of high carbon spring steel SK2H;
- triple laser-sharpened cutting edge ensures sharpness at the highest level;
- special black anti-rust coating protects against corrosion;
- thanks to the segmented design, once blunted, the worn out segment can be broken off, and another sharp fragment can be used;
- come in a handy plastic box;
- 10 blades per set.
