Multipurpose tool complete with bits and sheath

BETA's multipurpose tool stands out from similar commercially available tools with BETA's typical hallmarks: pliers synonymous with matchless quality, sophisticated materials and state-of-the-art technology.

The 11 bits, for Phillips®, Torx®, Pozidriv®, hexagon and slotted head screws, make this item ideal for any work environments and conditions, e.g. camping, nautical industry, hunting and DIY.

The four levers on the handle of BETA's new multi-tool allow accessories to be pulled out from any position, and the two lock/unlock buttons provide unparalleled safety for users.
