

ALU740 – Aluminium Staple Gun

For DIY and home projects, users looking for optimal quality often choose this robust, aluminium staple gun. High levels of performance allow it to tackle many tasks with confidence while its 2-step force adjuster can be set to reflect different types of material and the length of staple being used. The ALU740 can be used regularly for tasks including fastening thinner boards or material such as insulation, damp proof coursing, plastic wrap, labels, cardboard, paper or other items that demand high levels of fastening.

Features:

- 2-step force adjuster can be set to reflect different types of material and the length of staple being used.
- Cast aluminium body
- All-steel wear parts inside
- Soft grip areas
- Dual magazine for flat wire staples and brads
- 3 year guarantee

Specification:

- For staples 140, 6-14 mm
- For brads No8, 15 mm
- Supplied in Touch & Feel blister pack
