

ALU840 - Professional Staple Gun

Powerful, ergonomically superior aluminum staple gun for demanding, professional applications and precision operation. High performance and long working life allow it to be used regularly. Other features include a 2-step force adjuster, which can be set to reflect different types of material and the length of staple being used. The ALU840 is suitable for many tough jobs including fastening thinner boards or Masonite or material such as insulation, damp proof coursing, plastic wrap, cardboard, or other items that demand high levels of fastening.

Features:

- 2-step force adjuster can be set to reflect different types of material and the length of staple being used.
- Aluminum casing and all-steel wear parts inside
- Smooth functioning loading system and recoilless mechanism
- Ergonomic soft grip handle with lock function for easy storage
- Dual all steel magazine for flat wire staples and brads
- Made in Sweden, 5 year guarantee

Specification:

- For staples 140, 6-14 mm
- For brads No8, 15 mm
- Supplied in Touch & Feel blister, Plastic Case or Box pack
