

## R311 – NEW Generation of Hammer Tackers

Offering superior precision and working life, the R311 is an effective hammer tacker able to tackle a wide range of demanding, professional tasks. A smart, newly-developed opening mechanism ensures no parts can fall out when refilling. The perfect solution for high-frequency fastening of roofing felt and insulation material, vapor barrier, plastic wrap, labels or posters.

### Features:

- New, faster bottom loading
- Quick release opening
- Double driver (for extended product life)
- No loose parts
- Large protective nose plate
- Ergonomics as top priority
- Made in Sweden – top quality
- 2 year guarantee

### Specification:

- For Flat wire staples 140, 6-12 mm
- Supplied in Box or Touch & Feel Blister
- Available also in Promotion Case incl. Staples and Holster
