

ALU610 – Reversed Handle

Created for smart, effective home and DIY use, this unique, staple gun has a reversed handle that allows it to be fired even without the support of material or a stable, even surface underneath. Perfect for working in tight, awkward spaces, roof decoration work or on walls with curtains, drapes or other textiles. The ALU610 is also handy when stapling near edges during upholstery work or for other jobs with limited surface area for support.

Features:

- Reverse firing handle technology
- Cast aluminium body
- Dual magazine for both fine wire staples 13 and 53
- All-steel wear parts inside
- 3 year guarantee

Specification:

- For staples 13, 6-10 mm
- For staples 53, 6-10 mm
- Supplied in Touch & Feel blister pack
