Description

Akyga® service cable AK-SC for DC power supplies.

Made of durable **PVC**, the cord is equipped with a high-quality **ferrite core**. Total cable length is **1.2 m**. The product can be used as a replacement for faulty cable for most laptop models available on the market. The ease of installation is provided by wires prepared for **direct soldering**.

Akyga offers a wide range of cables with various parameters that are adjusted to the different models of laptops. Make sure that the dimensions and shape of the plug are compatible with the target device.

The service cable is dedicated for DELL laptops.

The product is packaged in standardized **UniBag**.
