MASTER 750 ERGO Clamping and Machine Table

Properties

- height-adjustable in six steps from 725 - 950 mm, for ergonomic working
- snap-in points and lockable extension ensure safety when machines are used
- fastening options for mitre saws and wolfcraft drill stands (art. no. 5027000 and 3406000), for versatile, ergonomic working
- quick adjuster for conveniently and quickly shifting the front tabletop
- can be continuously swivelled through 60°, for a versatile range of possible uses
- vertical clamping of workpieces up to a width of 110 mm possible at the highest level
- horizontal clamping width of 130 mm between the tabletop boards and 425 mm between the plastic clamping jaws
- 4 large plastic clamping jaws with anti-slip supports – with reversible painting tip that helps save time when painting workpieces + anti-slip support rest for raising the workpiece
- 2 pipe clamps for holding round material
- with quick-folding function for space-saving storage and transport
- made of sturdy tubular steel with a load capacity of up to 125 kg; versatile
- tabletops made of coated MDF with FSC certification have chamfered edges and provide a work surface of 680 x 390-520 mm
- chamfered carrying recess and oval, smooth aluminium bar for convenient transport
- tool ledge with holders for storing the plastic clamping jaws or other tools
- feet with anti-slip rubber pads allow the folded table to be leaned against the wall safely
- easy assembly in just a few additional easy steps, as the base elements are preassembled
- quality made in EU, with a 10-year warranty
- Quality tested by technical inspection authority for safety

Technical data

Working heights	725 – 950 mm
Product dimensions (W x D x H)	680 x 700 x 950 mm
Dimensions of folded product	680 x 190 x 970 mm
Load capacity	125 kg
Tilttable worktop, max.	60 °
Clamping width, max.	130 mm
Clamping width with clamping jaws, max.	425 mm
Worktop	680 x 390 mm
Table plate material	MDF
Additional product specification	Height adjustment in six steps
Product weight	13,2 kg

MASTER 750 ERGO Clamping and Machine Table

Scope of delivery

1 MASTER 750 ERGO Clamping and Machine Table
4 plastic jaws for clamping workpieces horizontally
2 pipe clamps
fastening material for mounting stationary devices
