

## Qoltec Cable Patchcord FTP | CAT6 | 2 x RJ-45 | 5m | High speed | Gold | Shielded

Product code: 54539

Qoltec Patchcord FTP Cat.6 cable with a length of 5m, terminated with two gold-plated RJ-45 type connectors in a sealed sheath. Used for Ethernet connections such as in offices, data centers, or even home computer networks. Allows data transfer at speeds of up to 10Gb/s. The cable have an additional protective shield.

### HIGH-SPEED TRANSMISSION AND STABLE CONNECTION

### Quickly transfer data at speeds of up to 10 G/s

Qoltec's FTP CAT6 cable is a 5m shielded cable designed to support data transfer speeds of up to 10 Gigabit per second on Ethernet networks. Suitable for high-speed data transfer applications such as file transfer, video streaming, video conferencing requiring high network bandwidth. Particularly used in data communication networks, computer networks, power transmission, data transmission and monitoring systems.

## ACHIEVE A NEW LEVEL OF NETWORK EFFICIENCY

### Eight pairs of twisted wires, gold-plated terminals covered with a plastic sheath

- It consists of eight twisted pairs of wires,
- The cable sheath is made of PVC,
- Each pair of wires is **covered with an insulating layer** to protect against interference,
- **Shielded** - have an additional protective screen,
- At both ends of the cable are **RJ-45 connectors** - standard modular connector equipped with **8 pins**,
- **The ends of the cables are gold-plated for better signal conduction**,
- The ends of the RJ-45 connectors are **covered with a plastic shield**, which helps protect the ends from mechanical damage and maintains a **stable connection**,
- **High quality** construction confirmed by warranty.

## CONFIDENCE CONFIRMED BY A WARRANTY

### Quality Guarantee - Your Secure Connection

Zależy Ci na wysokiej jakości kupowanego produktu? Nasze rozwiązania spełnią Twoje oczekiwania. Produkt objęty jest 24 miesięczną gwarancją obowiązującą od dnia zakupu.
