Profile heatsinks and liquid coolers>Standard extruded heatsinks

115 x 63 mm, with guide away for cover plates or blanks, mounting parts IS 1, IS 2, IS 3

Features

- drilling pattern:
- TO 3
 - CB

width: 115 mm

height: 63 mm

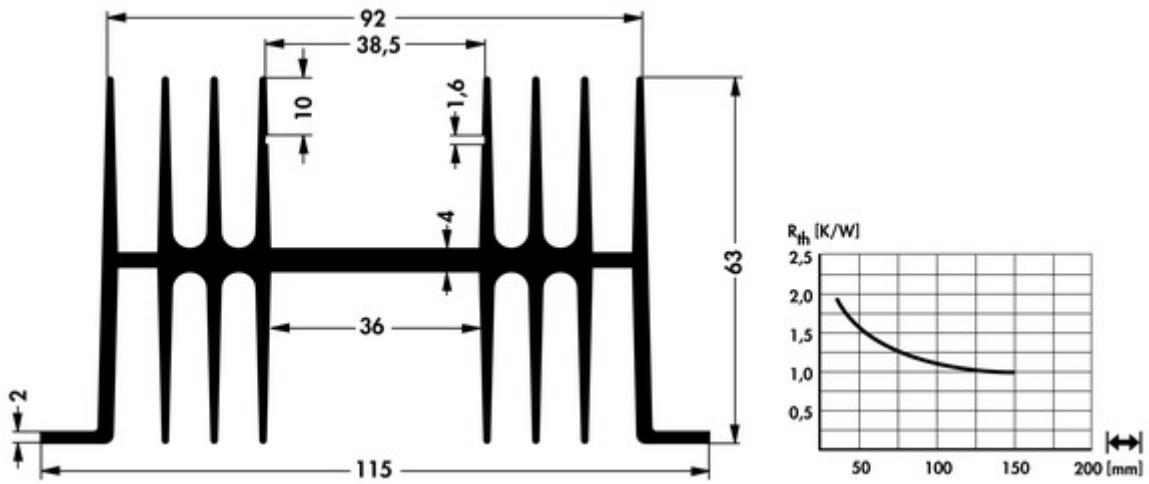

plate thickness: 4 mm

length: 100 mm

thermal resistance: 1.9 - 1 K/W

surface: black anodised

-
- custom processing:
- individual CNC machining
 - desired length
