

DISSIPATIVE PINK POLYURETHANE FOAM

Features and Advantages: general shock absorption and general packaging

Product specifications

Material:	Dissipative polyurethane (amine free additives)
Color, aspect:	Pink, available in flat or egg-shape
Cells:	Open cells
Density:	20-24 kg/m ³
Usage temperature:	N.D.
Tensile strength:	N.D.
Elongation at break:	N.D.
Resistance to compression:	@ 40%: 3.8 kPa

Electrical properties

Surface resistance:	< 10 ¹¹ Ω (IEC 61340-3-2)
Volume resistance:	< 10 ¹¹ Ω
Decay time:	From 1000V to 100V: < 2 seconds
Shelf life:	2 years if kept away from sunlight and humidity

Compliance to standards

IEC 61340-5-1, RoHS directive (2002/95/CE)

Part numbers

Description	Part number	Size (mm)
Customized settings	26-20x-xxxx	
Standard sheets	83-20x-xxxx	2000 x 1000
Foam for 400x300mm	26-215-0012	355 x 255 x 15
Foam for 600x400mm	26-215-0004	555 x 355 x 15
