

Data sheet Product SK 450 75 SA

- [Print data sheet](#)
- [Recommend page](#)

Profile heatsinks and liquid coolers>Standard extruded heatsinks

49,5 x 50 mm

Features

width: 49.5 mm

height: 50 mm

plate thickness: 7 mm

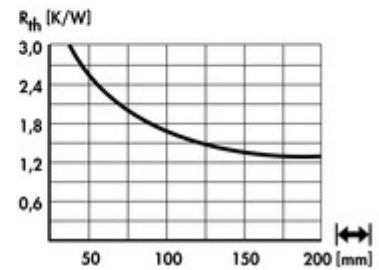

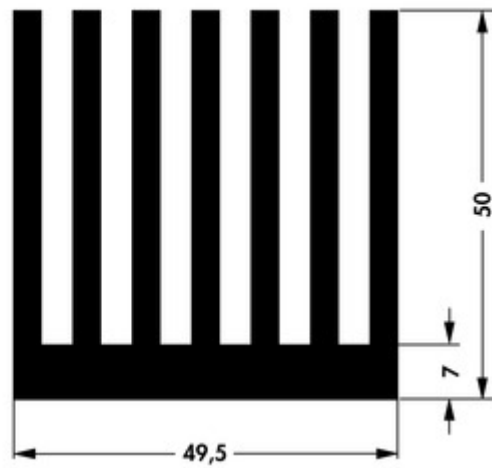

length: 75 mm

thermal resistance: 3 - 1.25 K/W

surface: black anodised

custom processing:

- individual CNC machining
- desired length
