

## Power cable

Model: **AK-PC-15A**

|                          |                        |
|--------------------------|------------------------|
| Product code             | AK-PC-15A              |
| Product type             | Power cable            |
| Output voltage           | 250 V                  |
| Output amperage          | 2.5 A                  |
| Cable length             | 1.5 m                  |
| The cable plug #1        | IEC C7                 |
| The cable plug #2        | IEC C14                |
| Cable material           | CCA                    |
| Wire gauge               | 2x 0.5 mm <sup>2</sup> |
| Product color            | Black                  |
| Product size (L x W x H) | 190 x 50 x 40 mm       |
| Net weight               | 85 g                   |
| Gross weight             | 87 g                   |
| CE compatibility         | Yes                    |
| FCC compatibility        | No                     |
| RoHS compatibility       | Yes                    |
| REACH compatibility      | Yes                    |
| EAN code                 | 5901720139535          |
| Warranty                 | 24 months              |

# Description

**The Akyga® AK-PC-15A power cable** is the ideal solution for powering various electrical devices at home and in the office. It has **IEC C7 and IEC C14 connectors**, making it ideal for applications where power is supplied using a UPS, power distribution strip or other equipment with an IEC C14 socket. **The figure-8 connector** allows you to connect devices such as laptop chargers, gaming consoles, or DVD players. What's more, **the cable is 1.5m long**, allowing you to conveniently connect your devices to the power source, eliminating the need for extra extension cords and helping to keep your workplace or home tidy.
