Power cable

Model: **AK-RD-02C**

Product code	AK-RD-02C
Product type	Power cable
Series	Pro
Output voltage	250 V
Output amperage	2.5 A
Ground wire	Yes
Cable length	3 m
The cable plug #1	CEE 7/16 (Europlug)
The cable plug #2	IEC C7 (SN-14)
Cable material	CU
Wire gauge	2x 0.5 mm2
Product color	Black
Product size (L x W x H)	180 x 70 x 40 mm
Net weight	143 g
CE compatibility	Yes
FCC compatibility	No
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720139511
Warranty	24 months

Desctription

The Akyga® AK-RD-02C power cable is a **3-metre-long** cable, designed for efficient powering of low power consumption devices (up to 2.5 A). It is made of high quality copper, which guarantees reliability and efficiency in energy delivery.
At one end, the cable features an **IEC C7 connector**, also known as a 'figure eight', which is commonly used in various types of electronic equipment, including radio receivers, laptop power supplies, DVD players and other audio-visual devices. The other end of the cable is terminated with a **CEE 7/16 plug**, also known as a Europlug. This connector is a European standard, providing a stable and safe connection to electrical sockets.
