**0032465** - Right-Side Charging-Holder for B-IRON Handles

**0032466** - Left-Side Charging-Holder for B-TWEEZERS

**0032467** - Right-Side Charging-Holder for B-TWEEZERS

## Packing List

The following items are included:

**Charging-Holder  
for B-IRON Tools ..... 1 unit**

*According to purchased ref.*

**Manual ..... 1 unit**  
Ref. 0032516

## Features

These charging holders are used with B-IRON stations or BCB Charging-Base.

They allow expanding the station with a second charging holder, or replacing an already assembled one.

## Charging Holder Assembly

Loosen the screws (1) at the bottom of the charging base.

If there is already a charging holder on the left side of the station, hold the charging holder with one hand.

Slide down the side band (2) (and remove the charging holder, if already equipped).

To install the new charging holder onto the charging base, place the charging holder at the top of the side rail and slide the side band upwards until it holds the charging holder in place.

Tighten the screws at the base to fix the charging holder's position.

## Maintenance

Periodically clean the metal parts of the charging holder to ensure a proper connection and charging of the tool.
