

Qoltec USB-C to RJ45 Ethernet Adapter | 1000Mbps | Aluminium housing

Product code: 50352

Adapter RJ45 to USB-C is an ideal solution for users of laptops, tablets, and other devices with a USB-C port who need a stable and fast internet connection. The adapter allows you to connect an Ethernet cable through the RJ45 connector, eliminating the need for a built-in Ethernet port in the device. Due to its compact size and lightweight, it is perfect for people traveling with a laptop. It operates in Plug & Play mode.

EXPAND THE CAPABILITIES OF YOUR LAPTOP OR PC

Easy connection of the Ethernet cable via RJ45 connector to the USB-C port

Are you looking for a solution to extend the possibilities of your laptop or computer? The RJ45/USB-C adapter from Qoltec is dedicated to anyone who appreciates practical solutions and is looking for a stable and fast internet connection. This compact adapter **allows an Ethernet cable to be connected via an RJ45 connector to a USB-C port, eliminating the need for a built-in Ethernet port on the device.** With this adapter, users can use wired internet on devices with a USB-C port, achieving high data transfer speeds and a stable connection.

FAST AND STABLE INTERNET CONNECTION

Up to 1000 Mb/s connection speed

Devices connected to the adapter can transfer data at speeds of up to 1000 Mb/s, ensuring fast file copying, smooth data transfer between devices and efficient use of external drives, which is particularly important when transferring large files, streaming high-definition video or playing online games.

ROBUST AND LIGHTWEIGHT HOUSING

Durable aluminium housing, elegant design, compact size

The device's compact size makes it extremely practical and convenient, and its light weight will allow you to take it literally anywhere you need it, to work, the office or anywhere else on a business trip and beyond. It will easily fit into a pocket or backpack. The casing of the device is made of high-quality, durable aluminium, which further helps to dissipate heat and provides effective protection against crushing and protects against any damage.

FORGET DRIVERS, ENJOY FULL PLUG & PLAY COMPATIBILITY

Plug & play

It's thanks to the **plug-and-play function** that, once connected to your laptop, our device is ready to use without the need to **install any additional drivers, just plug in the USB-C cable and you're good to go**. The USB-C connector allows you to connect to any computer, laptop, tablet or smartphone equipped with a **USB-C port**.

CONFIDENCE CONFIRMED BY A WARRANTY

Product with 24 months guarantee

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. The adapter we offer comes with a **24-month guarantee** valid from the date of purchase.
