Quality Sound

Get reliable and high-resolution audio free of static and sound cutting out. Enjoy your music with all the depth and detail it's meant to have.

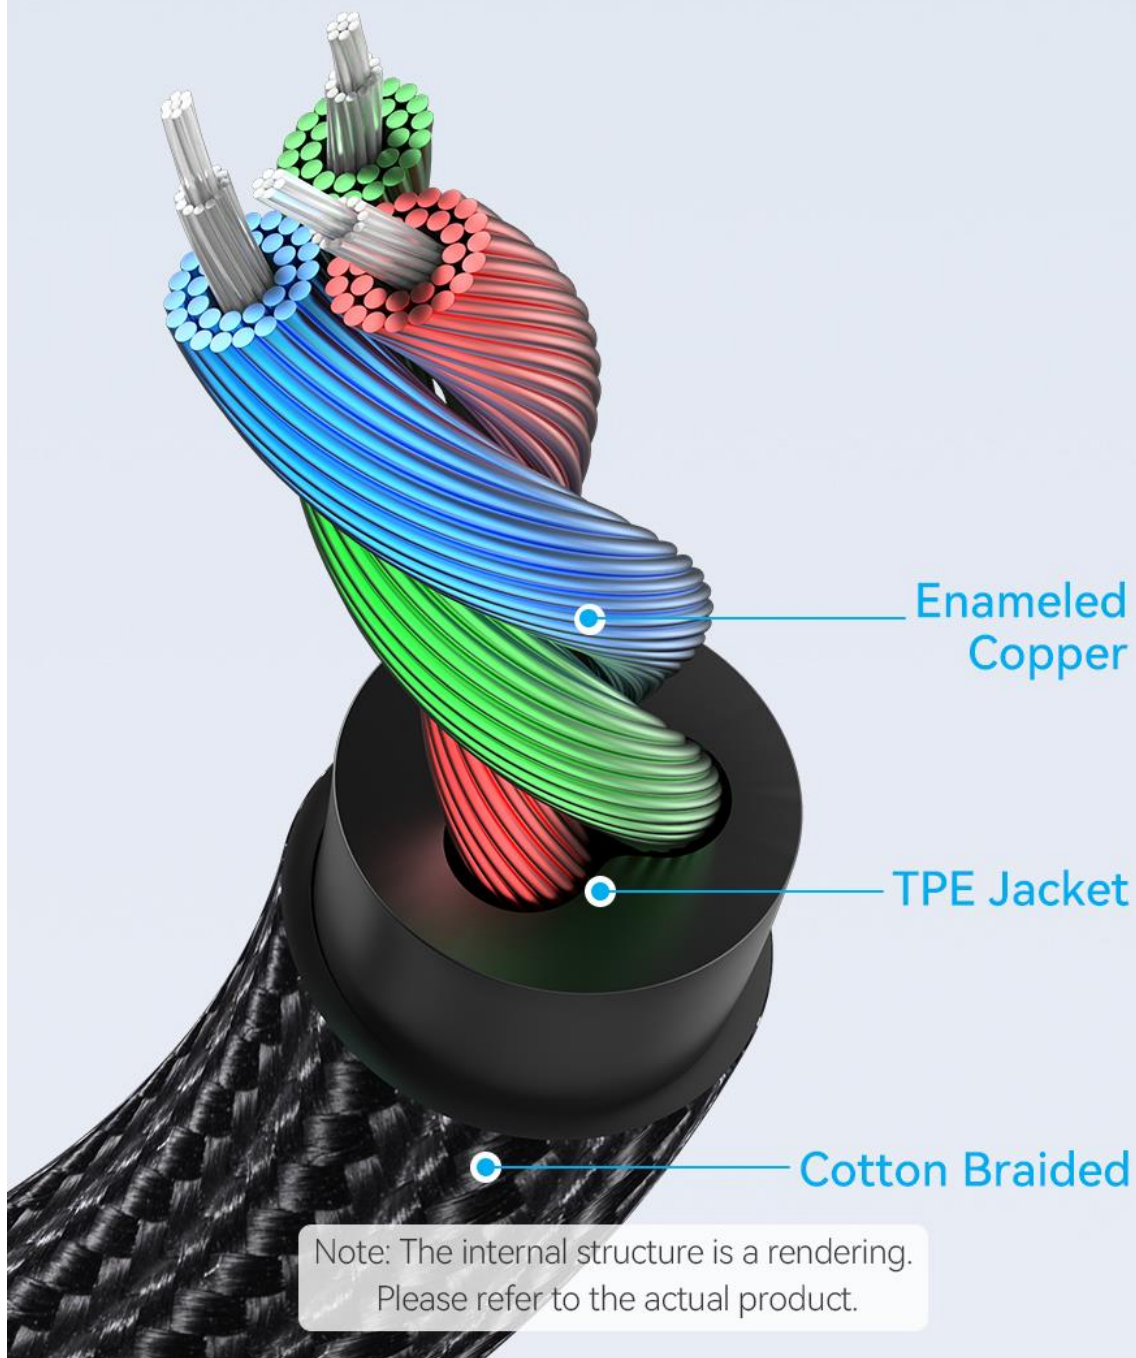

Before Conversion

After Conversion

Reliable & Durable

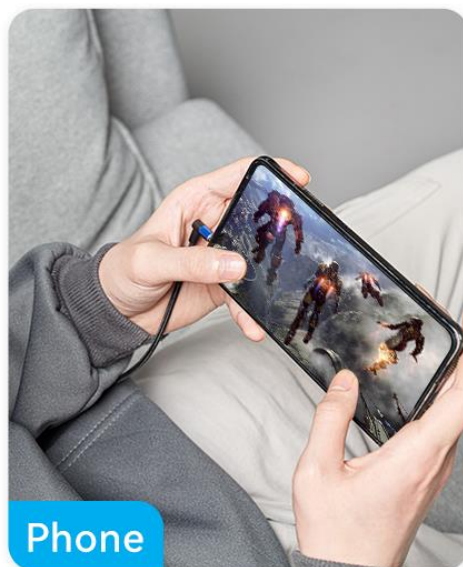

Enameled copper conductor minimizes sound deterioration and ensures more stable signal transmission.

Note: The internal structure is a rendering.
Please refer to the actual product.

Ergonomic L-shaped Design

The L-shaped cable design allows the cable to sit flush against the device, reducing strain on the cable and minimizing the risk of accidental damage or disconnection.

Plug in to Play

Enjoy your music anywhere with a 3.5mm audio cable that connects your phone to your car speakers or home audio system.

Perfect for the Car

Connects to AUX IN audio port

AUX IN

Dashboard

AUX iPod
