

# Two-screen Sync Display

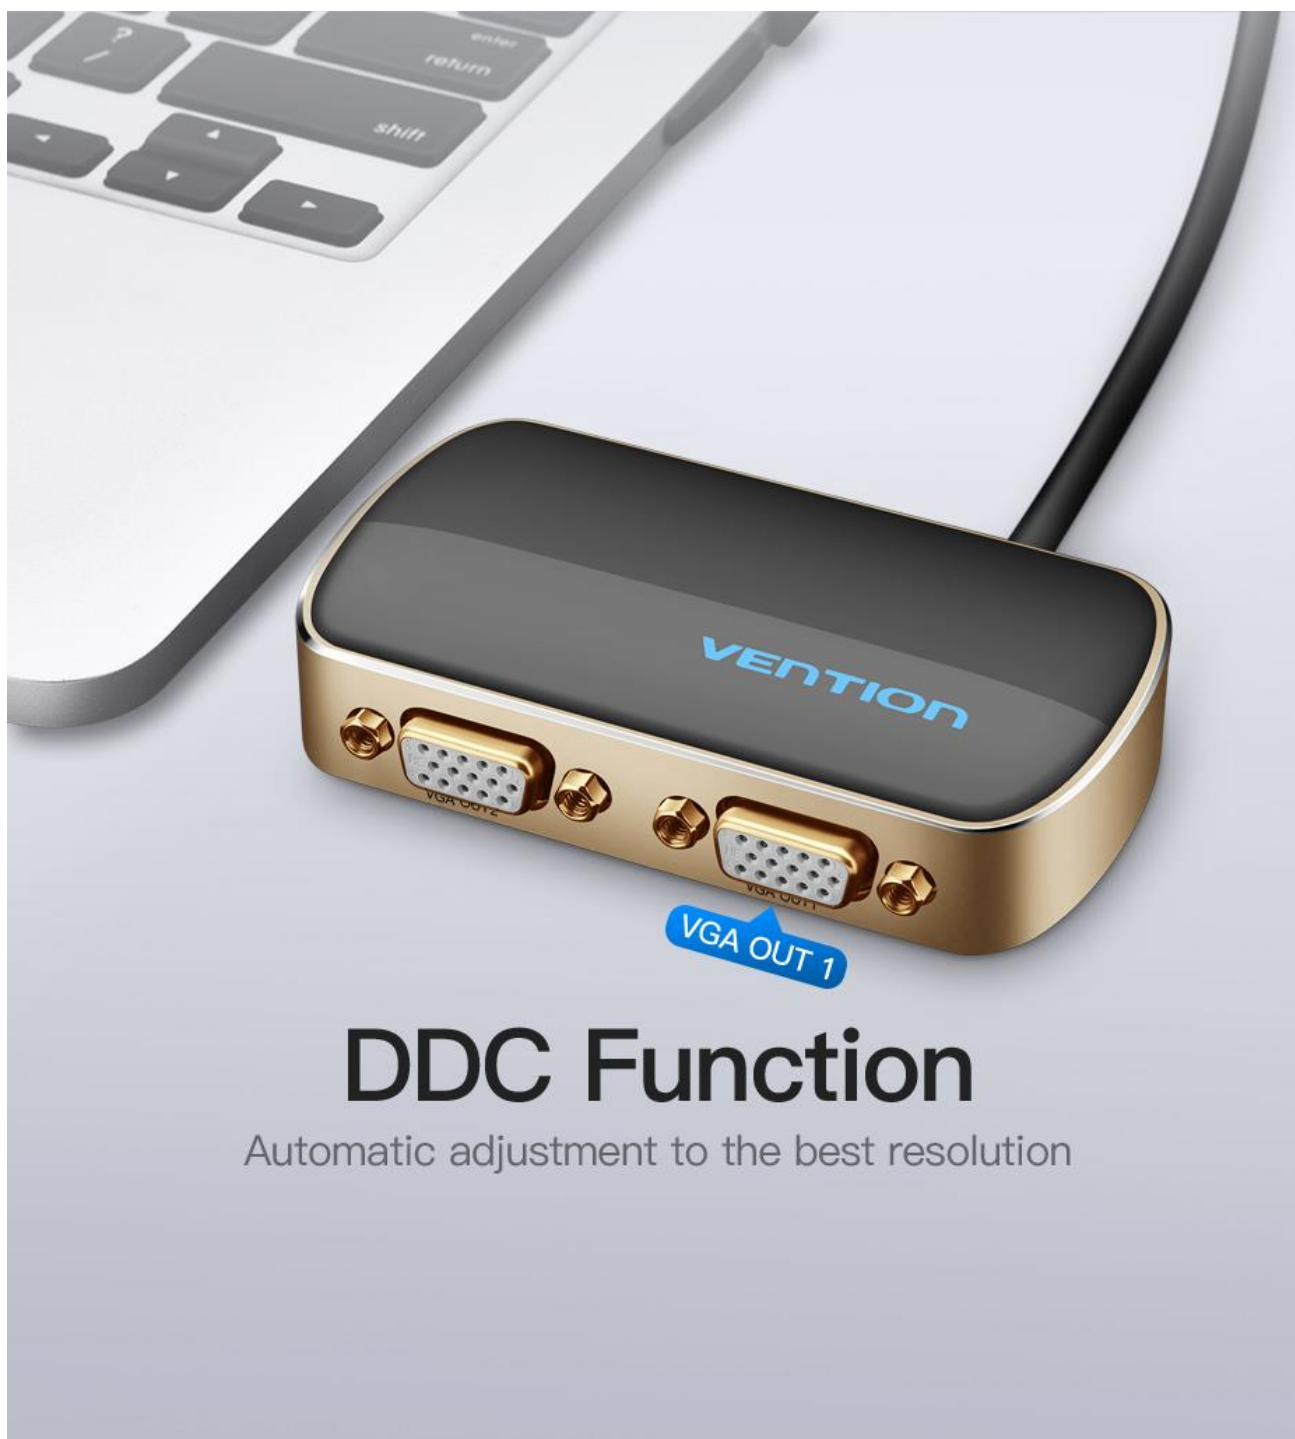

1 PC simultaneously connects to 2 VGA display devices

# HD 1080P

Support 1080P 60Hz  
smooth transmission capture every detail

# DDC Function

Automatic adjustment to the best resolution

# 30M Distance Transmission

Built-in high performance chip magnify the input signal

# With VGA Cable

With 1m VGA cable more convenient to use

# DC 5V Power Supply

Provide current support ensure the stability of equipments

DC 5V power supply port

PS: When the signal source has no current output or insufficient power supply please connect the power

# Widely Compatible

Support VGA computer connect to VGA display devices

VGA Input

Desktop

Laptop

# Gold-plated Process

Anti-corrosion resistance to plug longer service life

# Application Scenes Display

# LED Indicator

Blue light show its working status

# ABS & Aluminum Alloy Shell

Good heat dissipation strong and durable

# Product Parameters

Brand	Vention
Name	1 In 2 Out VGA Splitter
Model:	DBABF
Color	Black
Type	VGA Male,VGA Female
Connector	Gold Plated
Resolution	1080P 60Hz
Conductor	High Purity Copper
Jacket	PVC
OD	4.9mm
Length	1m
Warranty	One Year
Package	Color Box

PS: All data are from Vention laboratory

PS: Sizes above are manual measurement and there might be slight tolerance.

1x2 VGA Splitter

Technical Features		
Color	Black	
Interface	VGA Female/VGA Male	
Connector Process	Gold-Plated	
Transmission direction	VGA to VGA	
Jacket	Aluminum alloy + ABS	
Resolution	1920 x 1440@60Hz
