In Sync

Note: The resolution and refresh rate are determined by the performance of your devices. If you intend to display 4K content, please make sure that both your input and output devices can support 4K.
All data are from Vention Lab.

60Hz Higher Refresh Rate

Output 30 frames more than 30Hz per second higher refreshing rate deals with super-fast motion games better. Superb clarity for view without lagging.

Long Transmission Distance

Support a 10 m HDMI extension cable to connect TV projector, monitor and other display devices.

Note: With Vention HDMI extension cable,
it supports 4K@60Hz within 3 m, and 4K@30Hz within 10 m.
All data are from Vention Lab.

Driver-Free Plug & Play

Support hot swappable, no driver
installation or external power supply needed.

Latch design, stable connection

Depress the button when pulling out
to prevent the interface from being damaged.

Stable Signal Transmission

Our active DisplayPort adapter has a Realtek active biochip to boost the performance of the device. The picture clarity, coloring, and sharpness (resolution) are excellent, and no more flicker and tearing trouble.

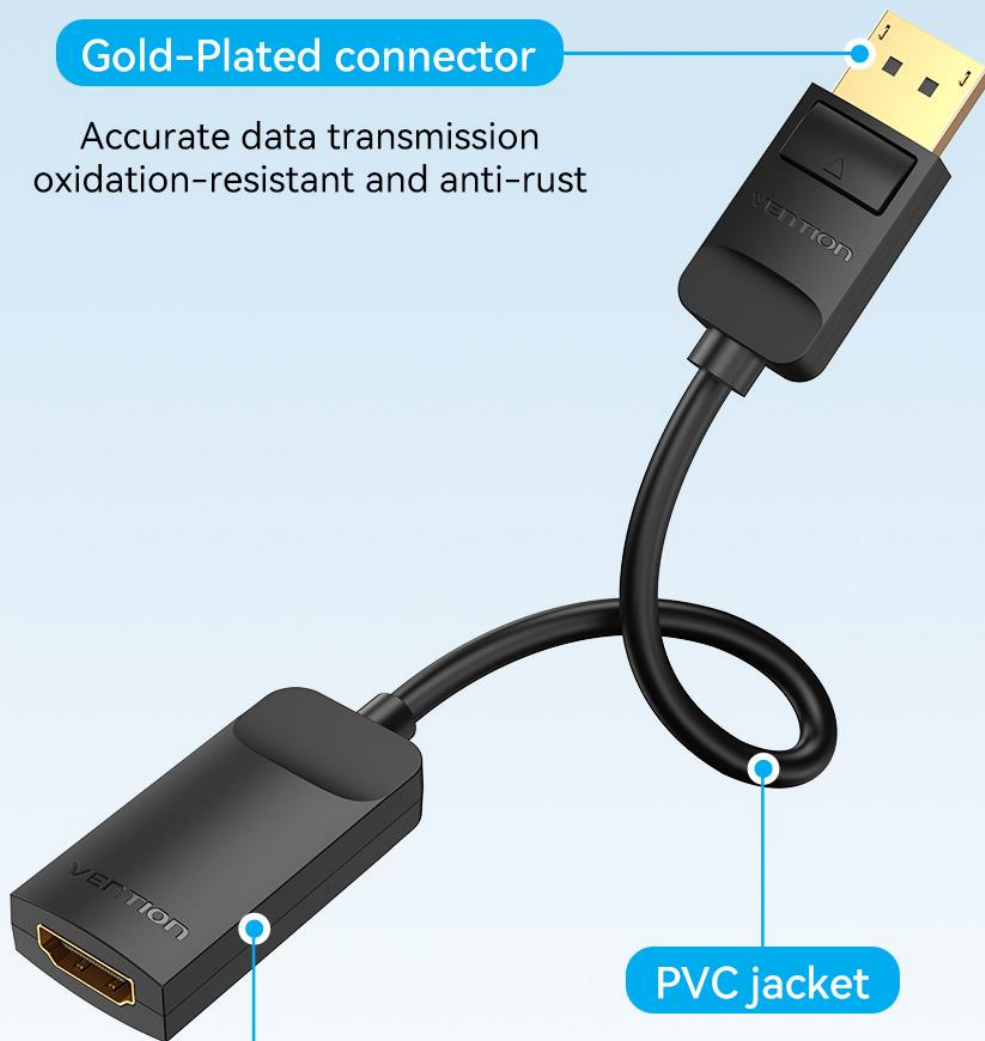

Note: The internal structure is a rendering
please refer to the actual product.

Delicate Details

Gold-Plated connector

Accurate data transmission
oxidation-resistant and anti-rust

PVC jacket

Flexible, anti-bending
durable

ABS shell

Soft touch, abrasive resistance
and scratch resistance

Universal Compatibility

Enables you to connect a DP compatible laptop/computer to a HDMI equipped Display device

DP port

Source Device

Laptop

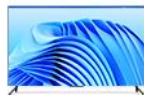

Computer

Multiple Modes

Mirror mode

Displays the same picture.
Enjoy videos and games on a larger screen.

Extend mode

Displays different pictures.
The second screen to expand your workplace

Multiple monitors mode

Connect a DisplayPort video source to
multiple monitors, to create a video wall

Note: Please check whether the graphics cards
of video source supports DP++ output on multiple monitors.

Product Parameters

Brand	Vention
Name	DP to HDMI Converter
Model	HBZ
Color	Black
Interface	DP Male/HDMI Female
Electroplating Process	Gold-Plated
Resolution	4K@60Hz
Conductor	Tinned Copper
Shell	ABS
Chip	Realtek Active Biochip
Shielding	Aluminum Foil+Metal Braided+GND
Jacket	PVC
AWG	32AWG
OD	5.0mm
Length	0.15m
Warranty	1 Year
Packing	Color Box

Note: All data are from Vention Lab.
Sizes above are manually measured. There might be slight tolerance

Packing Display

Note: Packing difference exists for different meters or batches.
