

## Notification Subject: PCN for NEOTECH IC

- Issue Date: 2024/08/01
- Description: IC NT7107T、NT7108T PCN
- Effect of change

Effected Series	RG12864A、RG12864B、RG12864B1、RG12864C RG12864C3、RG12864H、RG12864H1、RG12864D RG12864E、RG12864F、RG19264A1、RG19264C RG19264A、RG19264B、RG19264D
-----------------	---

### ■ Description :

Dear Valued Partner,

NEOTECH, our esteemed IC supplier, has offered the optimized alternatives for the previous IC models, NT7107T, NT7108T. The latest versions, NT7107T2 and NT7108T2, represent an optimized iteration of the predecessors. There will be no alteration to the specifications of the display modules with these new versions.

To facilitate a seamless transition to these enhanced IC versions, we are implementing a comprehensive validation process and provide testing result with successful completion of this validation phase.

We deeply value your continued partnership and trust in our products. Should you have any questions or need further clarification, please do not hesitate to reach out to your dedicated sales service representative.

Best regards,

RAYSTAR OPTRONICS, INC.
