

## **PCB HOLDER AND CARRYING HANDLES**

**25-304-0007/0008**

### **Product specifications**

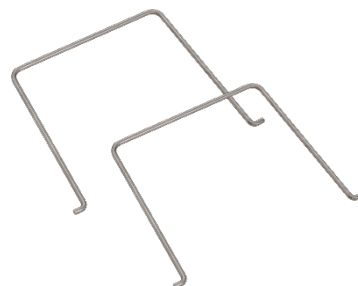

Material: Conductive PP  
 Maximum temperature exposure: 60°C  
 Surface resistance:  $< 10^5$  Ohm  
 Slot Dimensions: Width 2.6 mm  
 Depth 8 mm

For circuit boards up to 2.5 mm thick  
 Suits containers 600 x 400 mm

#### Chemical resistance:

Alcohol:	Resistant
Aromatic hydrocarbons:	Severe attack
Aliphatic hydrocarbons:	Moderate attack
Concentrated acids:	Slight attack
Concentrated alkalines:	Slight attack
Dilute acids:	Resistant
Dilute alkalines:	Resistant
Kerosene:	Severe attack
Acetone:	Moderate attack
Mineral oil:	Slight attack
Oil and gasoline:	Moderate attack

Standard compliance: EN 61340-5-1

### **Sizes and Part Number**

Part Number	External dimensions (mm)	Description
25-304-0007	557 x 357 x 22	PCB holder
25-304-0008	-	Metal carrying handles
