

USB Cable

Model: **AK-USB-53**

Product code	AK-USB-53
Product type	USB Cable
Maximum power	20 V / 3 A (60 W)
Cable length	30 cm
The cable plug #1	USB Male connector type C
The cable plug #2	USB Male connector type C
Data transmission	Yes
Version	USB 2.0
Plated plugs	Yes - nickel plated
Cable material	Copper
Product color	Black
Color insets	Grey
Package	UniBag
Product size (L x W x H)	80 x 80 x 10 mm
Package size (L x W x H)	180 x 130 x 11 mm
Net weight	17 g
Gross weight	18 g
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720139672
Warranty	24 months

Description

The **Akyga® AK-USB-53 USB-C angled cable** with a length of 30 cm is an ideal solution for those who value order and functionality. The short cable is perfect for situations where a compact connection is needed, reducing cable clutter in spaces like cars or on desks.

Thoughtful Design - Angled USB-C Connector

The cable is equipped with one **angled USB Type-C connector** and one straight USB Type-C plug for greater flexibility during use. The angled connector allows for convenient connection of devices, even in hard-to-reach places, minimising the risk of bending or damaging the cable.

Robust Design of the USB Type C Cable

Durability and aesthetics are the key features of the AK-USB-53 USB C cable. The **robust braid** protects the cable from mechanical damage, while the elegant aluminium finish on the connectors adds a touch of class. This product not only performs well but also looks great.

Fast Charging up to 60 W

The AK-USB-53 USB C cable is designed to charge devices with **up to 60 watts of power**, making it an ideal choice for modern smartphones, laptops and other devices with fast charging support. The cable is compatible with the latest **iPhone and iPad** models that support USB-C, such as the iPhone 15, iPhone 15 Plus and iPhone 16, iPhone 16 Pro and iPhone 16 Pro Max. It will also work perfectly with **Samsung** devices, including the Galaxy S24, Galaxy S24+, Galaxy S24 Ultra, Galaxy Z Fold6, Galaxy Z Flip6 and Galaxy A55, as well as the **Xiaomi** 14 and Xiaomi 14 Ultra. So, you can be sure that your devices will be charged quickly and safely, regardless of brand.

Data Transmission

In addition to charging, the AK-USB-53 USB-C cable **supports data transfer** via the USB 2.0 standard. This practical feature allows for easy file transfers between devices at speeds of up to 480 Mbps.
