

## USB Cable

Model: **AK-USB-54**

Product code	AK-USB-54
Product type	USB Cable
Maximum power	20 V / 3 A (60 W)
Cable length	1 m
The cable plug #1	USB Male connector type C
The cable plug #2	USB Male connector type C
Data transmission	Yes
Version	USB 2.0
Plated plugs	Yes - nickel plated
Cable material	Copper
Product color	Black
Color insets	Grey
Package	UniBag
Product size (L x W x H)	80 x 80 x 10 mm
Package size (L x W x H)	180 x 130 x 11 mm
Net weight	34 g
Gross weight	36 g
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720139689
Warranty	24 months

# Description

The **Akyga® AK-USB-54 1 metre long USB-C angled cable** has been designed to provide greater flexibility and convenience in a variety of situations. Whether you're using it at home, in the office or on the go, the angled cable is ideal when you need to connect a device, such as to the rear USB-C port of a laptop.

## USB-C Cable Angle Connector

The cable features both a straight and **an angled USB-C connector**, making it highly versatile. The angled connector makes it easy to access hard-to-reach ports, such as those on the back of a laptop or docking station, while the straight connector ensures compatibility with a wide range of devices.

## Durable and Stylish Design

The AK-USB-54 USB-C cable stands out for its robustness and modern design. **The strong braid** protects the cable from damage, significantly extending its lifespan, while the aluminium finish on both connectors adds a touch of elegance. This combination of durability and aesthetics makes the AK-USB-54 cable not only functional, but also visually appealing.

## Fast Charging of up to 60 W

The USB Type-C cable has been designed for fast charging of devices, offering **up to 60 W**. It is the perfect choice for modern smartphones, tablets and laptops. It is compatible with the latest **iPhone** models with a USB-C port, such as the iPhone 15, iPhone 15 Plus, iPhone 16 and iPhone 16 Pro, as well as **Samsung Galaxy** devices including the Galaxy S24, Galaxy Z Fold6 and Galaxy Z Flip6, as well as smartphones from **Xiaomi, OnePlus, Motorola, ASUS, Realme, HONOR, Huawei** or **OPPO**. This ensures that your devices will be charged quickly and efficiently, regardless of brand.

## Data Transmission

In addition to charging, the AK-USB-54 cable also **supports data transmission** in the USB 2.0 standard, allowing for easy file transfers between devices at speeds of up to 480 Mbps. This practical feature provides a reliable solution for both power and data transmission.
