

Eaton EP-502637

Catalog Number: EP-502637

Eaton xPole SPHT surge protection device, Transient voltage surge suppression module, SPHT12 L SPD insert

General specifications

Product Name	Catalog Number
Eaton xPole SPHT surge protection device	EP-502637
	Model Code
	SPHT12-350
EAN	Product Length/Depth
9010653085287	73.5 mm
Product Height	Product Width
45 mm	18 mm
Product Weight	Certifications
0.102 kg	CE

Product specifications

Features

Category type 1

Frame

Other

Specific energy (W/R)

0 kJ/Ohm

Continuous voltage at AC - max

275 V

Continuous voltage at DC - max

0 V

Follow current extinguishing capability

50 kA

Lightning impulse current (10/350 µs)

25 kA

Nominal discharge surge current (8/20)

25 kA

Nominal voltage at AC

240 V

Nominal voltage at DC

0 V

Degree of protection

IP20

Signalling at the device

Optic

System configuration type

TT

TN-C-S

TN-S

TN-C
