

Glass cleaner

A reliable cleaner designed for maintaining glass surfaces. With its advanced formula, our glass cleaner effectively removes greasy stains, fingerprints, and nicotine residue without leaving streaks or smudges. Its neutral pH (ranging from 5.00 to 8.00) and optimal density ($0.98 \pm 0.02 \text{ g/cm}^3$) ensure safe use on glass, metal, and plastic. The solution dries quickly and is easy to apply. Available in convenient liquid and foam forms, it guarantees a long-lasting shine and spotless cleanliness on monitors, windows, televisions, household appliances, and office equipment.

Product features:

- ✓ effectively removes dust, grease, fingerprints and nicotine residue,
- ✓ leaves no streaks or stains,
- ✓ safe for surfaces,
- ✓ fast-acting formula,
- ✓ various application methods.

Applications:

- ✓ televisions, computer monitors,
- ✓ copiers, scanners,
- ✓ refrigerators, stoves,
- ✓ windows and other glass surfaces.

Physicochemical properties

Appearance	Foam / Liquid*
Odor	Characteristic
Color	White / Colorless*
Density at 20°C	$0.98 \pm 0.02 \text{ g/cm}^3$
pH	5.00-8.00
Water solubility	Soluble
Flammability	Extremely flammable
Explosive properties	None
Shelf life	3 years

*Data corresponds to foam / liquid respectively

Compatibility:

The glass cleaner is safe for all glass, plastic, and metal surfaces. Its formula prevents damage, discoloration, or streaks, making it ideal for delicate surfaces such as monitors, mirrors, and displays.

Application method	
Spray bottle	Yes
Aerosol foam	Yes
Bottle	Yes

Usage instructions:

Restricted to professional users. Read safety data sheet carefully prior to use.

Before use, ensure that electrical devices are turned off. For the liquid version, apply the product to a microfiber cloth using a sprayer or directly from the bottle, then wipe the surface clean. For the foam version, dispense the product directly onto a cloth and gently wipe the glass surface, removing contaminants. Allow the surface to dry—within moments, it will be flawlessly clean.

Package	
Spray bottle	250 ml (ART.AGT-189) - 12 pcs.*
Aerosol	300 ml (ART.AGT-167) - 12 pcs.* 400 ml (ART.AGT-169) - 12 pcs.*
Bottle	1 l (ART.AGT-103) - 1 pc.*

*Quantity of pcs. in a bulk package.

Storage:

Store in a well-ventilated, cool place. Keep away from children. Protect from sunlight and temperatures above 50°C. Ensure proper ventilation in the storage area. Avoid sources of ignition, elevated temperatures, hot surfaces, and open flames. Do not spray over open flames or glowing materials. Store away from all heat and fire sources.
