

Laptop Cleaning Kit

A compact set for cleaning laptops, monitors and other electronic devices — a highly effective solution for maintaining delicate electronics. The Laptop Cleaning Kit includes a non-flammable, alcohol-free LCD/TFT cleaning fluid (neutral pH 6.0 ±2.0), a soft microfiber cloth (30×30 cm), and a precise polypropylene cleaning swab. The liquid efficiently removes dust, fingerprints and grease stains without leaving streaks. The cloth is gentle on screens, absorbing impurities without scratching, while the swab makes it easy to clean hard-to-reach areas. Keep your devices clean and protected — whether at home or in the office.

Product features:

- ✓ removes dust, fingerprints and greasy stains,
- ✓ streak-free and residue-free finish,
- ✓ gentle and safe for all screen types,
- ✓ fast-acting formula,
- ✓ easy to use.

Applications:

- ✓ laptops, keyboards and monitors,
- ✓ tablets and smartphones,
- ✓ car displays and other screen-equipped devices.

Physicochemical properties LCD/TFT Cleaning Fluid	
Appearance	Colorless liquid
Density at 20°C	0.98±0.02 g/cm ³
pH	pH 6.00±2.00
Water solubility	Soluble
Flammability	None
Explosive properties	None
Shelf life	3 years
Physicochemical properties Microfiber Cloth	
Color	Blue
Dimensions	30 x 30 cm
Fabric weight	220 g/m ²
Composition	80% polyester, 20% polyamide
Shelf life	Unlimited
Physicochemical properties Cleaning Swab	
Appearance	Green handle with a white tip
Total length	122 mm
Tip dimensions	25 x 15.5 mm
Stick material	Polypropylene
Tip material	Polyurethane foam
Resistance	Suitable for isopropyl alcohol, oils and water-based mixtures
Shelf life	3 years

Compatibility:

The Laptop Cleaning Kit is safe for use on most materials and electronic devices. Thanks to the gentle formula of the LCD/TFT cleaning fluid and the microfiber cloth, the set does not scratch surfaces, leave streaks or cause damage — making it completely safe for use on delicate components.

Application method	
Dry use	Yes
With cleaning solution	Yes

Usage instructions:

Restricted to professional users. Read safety data sheet carefully prior to use.

Before cleaning, ensure the device is turned off and has cooled down. Apply a small amount of the cleaning solution to the included microfiber cloth — avoid spraying the screen or other surfaces directly. Gently wipe the screen or surface using circular motions to remove dust, smudges and fingerprints. For hard-to-reach areas such as between keyboard keys, use the included cleaning swab to precisely remove dust and dirt. After cleaning, allow the device to air dry fully before switching it back on. This ensures a spotless finish without streaks or smears while protecting the sensitive parts of your device.

Package

Plastic bottle with atomizer

3-in-1 Kit Box (ART.AGT-183) – 1/15 pcs*

*Quantity of pcs. in a bulk package.

Storage:

Store in a well-ventilated, cool place. Keep the bottle tightly sealed when not in use.
