## Physicochemical properties

Appearance	Wipe
Odour	Characteristic
Color	White
Basis weight	23 g/cm <sup>3</sup>
Dimensions	22 x 16 cm
Shelflife	30 months

**Compatibility:**

Universal cleaning wipes are chemically neutral towards most materials, allowing for safe use on a wide range of devices, from delicate screens to enclosures and precise mechanisms. Their neutrality prevents the risk of damage, corrosion, or undesirable aesthetic changes, making them an ideal tool for maintenance and cleaning in various environments.

Application method	
Wipe	Yes

**Usage instructions:**

**Restricted to professional users. Read SDS carefully prior to use.**

Make sure the device is turned off. Take the wipe out of the packaging and gently wipe the surface of the device. With dimensions of 22 x 16 cm, the product is perfectly suited for cleaning various surfaces. The Flow-pack packaging ensures long-lasting freshness and effectiveness of each wipe.
