

## P

tweezers with strong tips, for general purpose

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| P          | 120         | 4 3/4"     | SA      |

## S

tweezers with fine tips for general purpose

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| S          | 120         | 4 3/4"     | SA      |

## SA

tweezers with very strong tips for general purpose

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| SA         | 120         | 4 3/4"     | SA      |

## SB

tweezers with very fine tips for general purpose

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| SB         | 120         | 4 3/4"     | SA      |

## 4

tweezers with very fine and sharp tips

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| 4          | 110         | 4 1/4"     | SA      |

## 4A

tweezers with sharp and strong tips

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| 4A         | 110         | 4 1/4"     | SA      |

## 5

tweezers with very fine and sharp tips, ideal for SMD applications. ESD version available.

| Order code | ESD code | Lenght (mm) | Lenght (") | Version |
|------------|----------|-------------|------------|---------|
| 5          | 5ESD     | 110         | 4 1/4"     | SA      |

## 5B

tweezers with very fine and sharp tips, ideal for SMD applications; tips bent at 40° for a better visual of the work area

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| 5B         | 110         | 4 1/4"     | SA      |

## 5C

tweezers with sharp and strong tips, ideal for SMD applications; similar to 5 but shorter

| Order code | Lenght (mm) | Lenght (") | Version |
|------------|-------------|------------|---------|
| 5C         | 100         | 4"         | SA      |
