380
g/m²

100%
COTTON

The jacket cuffs reinforced

Special buckle construction to avoid loosening

Kat. II
Cat. II

MATERIAL: 100% cotton. Flame-retardant protective clothes designed for welding and related processes, resistant to hot agents and flame. Protects from ignition by short-term flame contact (efficiency level A1 + A2), molten iron spatter (efficiency level E2), convection heat (efficiency level B1), contact heat (efficiency level F1) and thermal radiation (efficiency level C1). Made from thick cotton fabric with a special satin weave and fire-retardant finish. The jacket cuffs additionally reinforced with the double textile layer to increase protection. Flame-retardant threads. Protection class 1 (small splinters of melted metal). Jacket: zipper covered with a fold fastened with press studs. 2 inner zipped pockets. Width adjustment at the jacket bottom with an elastic band. Cuffs fastened with concealed snap fasteners to enable adjustment. High-quality, branded zipper and YKK press studs. **Bib pants:** 4 pockets, including 1 inner zipped one. Additional seams reinforcements in the crotch. Waist width adjustment with an elastic band. Braces length adjustment with a fastener and an elastic band. **NORMA:** EN ISO 11611:2015, EN ISO 11612:2015, EN ISO 13688:2013.

ANTISTATIC
THREADSpecial buckle
construction to avoid
loosening**Kat. II**
Cat. II **CE**

MATERIAL: 99% cotton, 1% antistatic thread. Flame-retardant protective clothes designed for welding and related processes, resistant to hot agents and flame, with antistatic properties. Protects from ignition by short-term flame contact (efficiency level A1+A2), molten iron spatter (efficiency level E1), convection heat (efficiency level B1), contact heat (efficiency level F1), thermal radiation (efficiency level C1), and prevents static discharge able to start ignition. Made from cotton fabric with a fire-retardant and antistatic finish. Flame-retardant threads. Protection class 1 (small splinters of melted metal). Jacket: Fastened with buttons covered with a fold. Zipped inner pocket. Width adjustment at the jacket bottom with an elastic band. Cuffs fastened with concealed press studs. **Bib pants:** 4 pockets, including 1 inner zipped one. Additional seams reinforcements in the crotch. Waist width adjustment with an elastic band.
