## USB-C to 5G Gigabit Ethernet Adapter

Art. No.: UA0456

Enjoy super-fast 5G network speed for smooth video conference, streaming or file transfers. Work with USB-C computer, laptop or tablet. Also perfect as a second network card to connect internet.

- » Supports Gigabit data transfer with up to 5 Gbps
- » USB-C connection to most computers, laptops, tablets (compatible to Thunderbolt 3/4)
- » Compliant with IEEE 802.3/802.3u/802.3ab/802.3az/802.3bz specification
- » Supports Wake-on-LAN, IPv4, and IPv6, patch and crossover cables, automatic detection and switching
- » Full duplex/half-duplex data flow control
- » Compact and portable
- » Supports Windows, Mac OS, iOS, iPadOS, Linux, Chrome OS and Android

## Specifications:

|                                      |                                                             |
|--------------------------------------|-------------------------------------------------------------|
| Connection 1                         | USB-C male                                                  |
| Connection 2                         | RJ45 female                                                 |
| USB Standard                         | USB 3.2 Gen 1 (compatible with Thunderbolt 3/4)             |
| Ethernet Standard                    | IEEE802.3, IEEE802.3u, IEEE802.3ab, IEEE802.az, IEEE802.3bz |
| Ethernet Speed                       | 10/100/1000/2500/5000 Mbps                                  |
| Full Duplex Flow Control (IEEE802.x) | Yes                                                         |
| VLAN Tagging (IEEE802.1Q)            | Yes                                                         |
| Auto MIDI-X                          | Yes                                                         |
| LED Indicator                        | Yes, LED for activity                                       |
| Hot Plug and Plug & Play             | Yes                                                         |
| Power By                             | USB bus powered                                             |
| Housing Material                     | Aluminum                                                    |
| Color                                | Grey                                                        |
| Operating Temperature                | 0–45°C                                                      |
| Operating Humidity                   | 25–60% RH (non-condensing)                                  |
| Compatibility                        | Windows, Mac OS, iOS, iPadOS, Chrome OS, Linux and Android  |
| Cable Length                         | 15 cm                                                       |
| Dimensions                           | 7.75 x 2.7 x 1.54 cm (without cable)                        |
| Weight                               | 32 g                                                        |

## Package Contents:

- » 1x USB-C Ethernet Adapter
- » 1x User Manual

## Package Information:

- » Packing Dimension: 135 x 147 x 15 mm
- » Packing Weight: 0.043 kg
- » Carton Dimension: 500 x 320 x 210 mm
- » Carton Q'ty: 150 pcs
- » Carton Weight: 7.1 kg
