EAN code	5906708750696
Warranty	24 months

Description

The **Akyga® AK-USB-61** combines reliable technology with unique design. This **pink USB-C to USB-A** cable stands out not only for its practicality but also for its character, perfectly meeting the needs of those who value aesthetics in their everyday accessories. Whether you use it at home, in the office or on the go, it will provide you with fast charging and stable data transfer whenever you need it.

Fast data transfer and charging with USB 2.0

The AK-USB-61 **USB-C cable** is manufactured in accordance with the USB 2.0 specification, **enabling data transfer** speeds of up to 480 Mbps. This allows you to easily synchronise data between your smartphone and laptop, transfer photos from your camera or charge your wireless headphones without unnecessary delays. It is a versatile solution for anyone who expects smooth operation.

Flexible silicone — durability and comfort of use

The **pink USB-C cable** is also a stylish detail that adds a splash of colour to everyday life. **The soft silicone coating** provides exceptional flexibility and resistance to bending, is pleasant to the touch and reduces tangling. **The copper inner wire** guarantees high transmission quality and minimal energy loss.

LED backlight — convenience even after dark

A small but extremely practical touch — **the LED light** on the USB-C plug makes it easy to find the connector even in a dark room or car. The subtle glow is non-intrusive yet makes everyday use much easier.

Distinctive colour and wide compatibility

The USB-A and USB-C connectors ensure compatibility with most popular devices on the market — from smartphones from brands such as Samsung, Xiaomi, OPPO and Huawei to tablets, power banks and Bluetooth speakers. All this in a stylish pink colour that perfectly highlights the user's individuality and stands out from classic accessories.
