Description

The **Akyga® AK-USB-63 silicone USB-C cable** is the perfect choice for those looking for a durable and distinctive accessory. Its subtle blue colour gives the cable a modern look, while the silicone coating ensures exceptional flexibility and damage resistance.

Fast charging and data transfer

The AK-USB-63 **blue USB-C cable** is USB 2.0 compliant, enabling file transfers at speeds of up to 480 Mbps and stable charging of smartphones, tablets and wireless headphones.

Practical LED backlighting

A subtle **LED on the USB-C plug** makes it easy to use the cable in the dark, ensuring convenience and saving time.

Versatile USB-C cable

The USB-A and USB-C connectors make the cable compatible with a wide range of modern devices, and its vibrant blue colour adds character to any accessory set.
