Description

The **Akyga® AK-USB-69 silicone USB-C cable** in bright green is the perfect solution for those who value both functionality and original design in their accessories. It is ideal for everyday charging of smartphones, tablets, power banks and laptops, and its distinctive colour adds character to any set of devices.

Fast charging and data transfer

Compliant with the USB 2.0 standard, the AK-USB-69 USB-C cable **supports data transfer** speeds of up to 480 Mbps and **fast charging with up to 60 W of power**. It's an excellent option whether you're working at your desk or travelling, when speed and reliability matter most.

Flexible and durable USB C cable

The soft, matte **silicone coating** makes the USB-C cable pleasant to the touch, resistant to kinks and tangle-free. This allows you to safely roll it up and carry it around, and its durability guarantees a long service life.

Universal compatibility

USB-C to USB-C connectors make the Akyga® AK-USB-69 **USB-C cable** compatible with a wide range of devices — from Samsung, Xiaomi and OPPO smartphones to new iPhones and modern laptops with Power Delivery technology. **The 1 m length** ensures convenience when charging and using devices simultaneously.
