MATERIALS

Material shade in reality may slightly differ from that presented in the catalog.

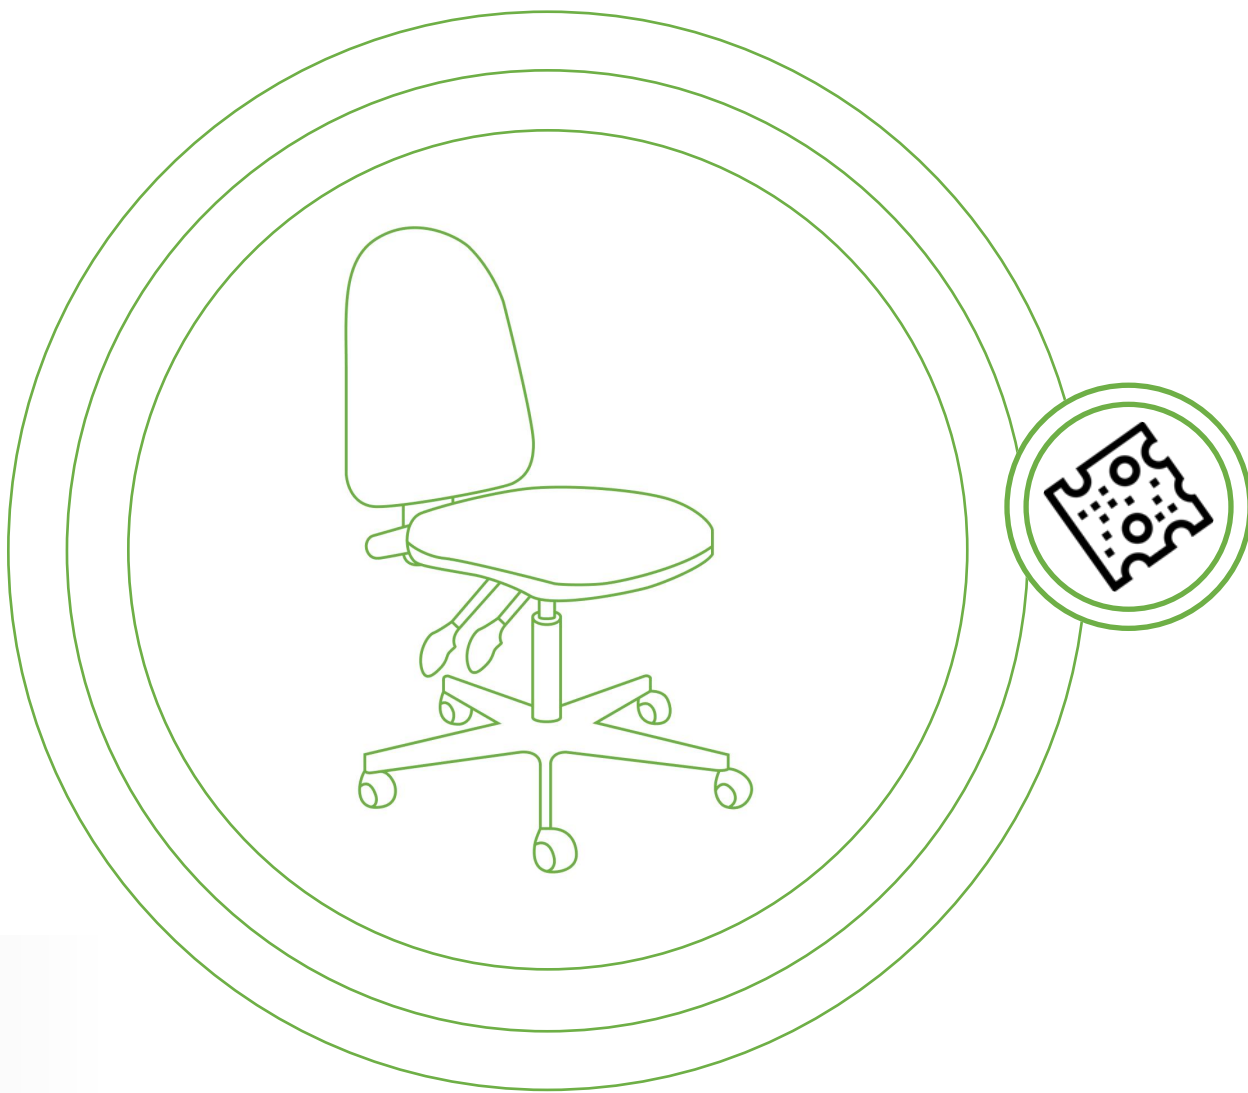

Comfort of use: Ergonomically contoured seat and backrest made of high-resilience foam, combined with a synchro mechanism, offer a wide range of adjustments to ensure a comfortable sitting position even during long hours of work.

Safety: Antistatic properties compliant with ESD standards effectively protect against electrostatic discharge. Suitable for Cleanroom Class 5.

Durability: Strong aluminum base and wear-resistant vinyl covering ensure long-lasting performance.

Application: The Cleanroom Comfort Chair is ideal for cleanrooms, laboratories, and controlled environments in the electronics, medical, pharmaceutical, and military sectors.

Chair compliant with standards:
ANSI/ESD S.20.20.2014, PN-EN 1335-1:2004, PN-EN 1335-2:2009, PN-EN 1335-3:2009, PN-EN 1022:2007, PN-EN 61340-5-1:2024

Vinyl:
RP-S1
