

## Intelligent Li-ion rechargeable battery charger L2 with LCD display

\* Intelligent Li-ion Battery Charger

\* Brand: KeepPower

\* Part No.: L2

\* Compatible with 10440/14500/16340/16650/18350/  
18500/18650/26650 Li-ion rechargeable battery

- Details
- Product Description
  1. Type: 2-slot Li-ion Battery Charger;
  2. Part No.: L2;
  3. Input: 5.0V 2.0A;
  4. Output: 4.2V±1% 0.5A / 1.0A;
  5. Compatible with 10440/14500/16340/16650/18350/18500/18650/26650 Li-ion rechargeable battery;
  6. Displays battery voltage, charging current, charging time and battery percentage in real time;
  7. Charged by USB power adaptor, laptop, power bank, etc;
  8. Designed by KeepPower, Assembled in China.

### Charged by laptop

Charged by power bank
