CRC HAND WIPES

Industrial Hand Cleaning Wipes

Ref. : 10004

1. GENERAL DESCRIPTION

CRC HAND WIPES are industrial strength hand cleaning wipes that are capable of removing oil, grease, paint, ink and adhesives.

CRC Hand wipes are impregnated with an effective cleaning and conditioning solution designed to be gentle on hands but tough on contamination. Hands are clean and dry in one application, all without the use of water.

2. FEATURES

- Non hazardous to user or environment.
- High absorbency – contamination stays on wipe.
- Textured material assists cleaning power.
- Optimum dose of cleaner applied to the wipe.
- Excellent cleaning power – even on tough contaminants.
- Replaces liquid chemicals and rags on the shop floor.
- Convenient, simple and safe to use.
- Leaves no residue.

3. APPLICATIONS

- Hand cleaning.
- Removing difficult contaminants, such as adhesive, gasket residue, bitumen, silicone, ink, oil, grease, lubricants, paint
- Mobile or remote applications, such as service engineers.

4. DIRECTIONS

Use CRC Hand Wipes to clean hands without the use of water.

The textured side of the wipe will gently but efficiently remove all ingrained contamination.

The smooth side of the wipe will effectively retain contamination and will prevent re-soiling of the hands.

Store the CRC Hand Wipes at a temperature from 0°C to 25°C.

A safety data sheet (MSDS) according to EU directive 91/155/EEC and amendments is available for all CRC products.
