

Cable HDMI v.2.0 A male | A male | AOC | 30m

Product code: 50474

Standard: HDMI v2.0
Type: HDMI AM / HDMI AM
Cable length: 30 m

ABOUT THE PRODUCT

High-quality HDMI A male is 30 m long and it enables transmission of audio and video signal. The optical cord was made from the best flair materials and equipped with two silver HDMI plugs with gilded endings. It can be used to connect different devices in combinations such as TV-DVD, PC-TV, Laptop-PC and many others. There are also two burrs attached to the cable to help to keep it organized.

AOC TECHNOLOGY

Active Optical Cable (AOC) it's a cabling technology that uses optical fiber as an extension of a HDMI signal. There are benefits of this solution including minimalizing the waste of audio quality and signal lag reduction. The HDMI AOC cable suits ideally for high-quality audio and video transmission. It works in one direction – it's important to connect the cord properly following descriptions placed on plugs: Source and Display.
