Wera 2go 1 – The outside packer

Wera 2go Tool Carrier with hook and loop fastener system
For the docking of the Wera textile boxes and pouches with hook and loop fastener zones
Individually configurable for greater mobility
Hands remain free during transport
Includes an adjustable, detachable Shoulder Strap with a wide padded section

Practical carrying convenience

The Shoulder Strap enables the tools to be suspended over the shoulder and transported accordingly with the hands remaining free. The adjustable-width padding ensures great carrying comfort and convenience.

Variable thanks to the hook and loop fastener system

The hook and loop fastener system means that other Wera 2go system components can be just as easily attached to the Wera 2go 1 Tool Carrier as all other Wera tools in boxes and pouches with hook and loop fastener zones. This enables an individual composition of the tools needed for a specific job.

Which textile boxes can be docked with the Wera 2go system without the need for any additional aids?

Wera packaging bearing this symbol contains tool pouches or textile boxes with nonwoven sections that can be docked with the Wera 2go system.
